

Saturday, March 16
9:00 a.m. to 12:00 p.m.
Gates School

Students will be placed by grade:

- Group K: Grade K
- Group 1: Grades 1-2
- Group 2: Grades 3-4
- Group 3: Grades 5-6

Test Format: Multiple Choice

Test Duration: 60-90 minutes

All students in Group 1-3 take the test at the same time in the school cafeteria. Winners will be announced at the end of the event. Students who take the Bee will be awarded a certificate of participation signed by Principal Newman!

We will continue with a special Math Bee program for the Kindergartners! During the time Group 1, 2 and 3 are taking the exam, Group K will have the Math Bee in the Library where multiple tables will be setup for an immersive Math experience to showcase their skills! No reading ability needed to participate. Volunteers will explain the problems to the group of kids who will write them down on their answer sheets. Kids move from table to table. Game on!

Registration Deadline: March 7, 2019

Registration Fee: \$10 per participant/\$20 max per family*

* Cash or check made payable to the Gates PTO, accepted. Please include "math bee" on the memo line on the check.
* All Gates students are welcome to participate in the Math Bee; if the entry fee poses a financial hardship, please let Mrs. Newman know that your child(ren) would like to participate and it will be waived
* * Not a drop off event. One parent/guardian is requested to stay back for the duration of the event with their child.
